AUTHENTIC, BEAUTIFULLY CAPTURED MOMENTS.

Lia Mahoney is a Portland, OR based photographer with 8 years of experience photographing weddings. Lia loves wedding photography because she can capture all of the love and joy of the day in images that will be admired for years to come. Lia understands the importance of perfectly capturing every moment of your big day! From getting ready photos through the reception, Lia Mahoney Photography will be there to make you feel comfortable in front of the camera, and save all those memories for you.

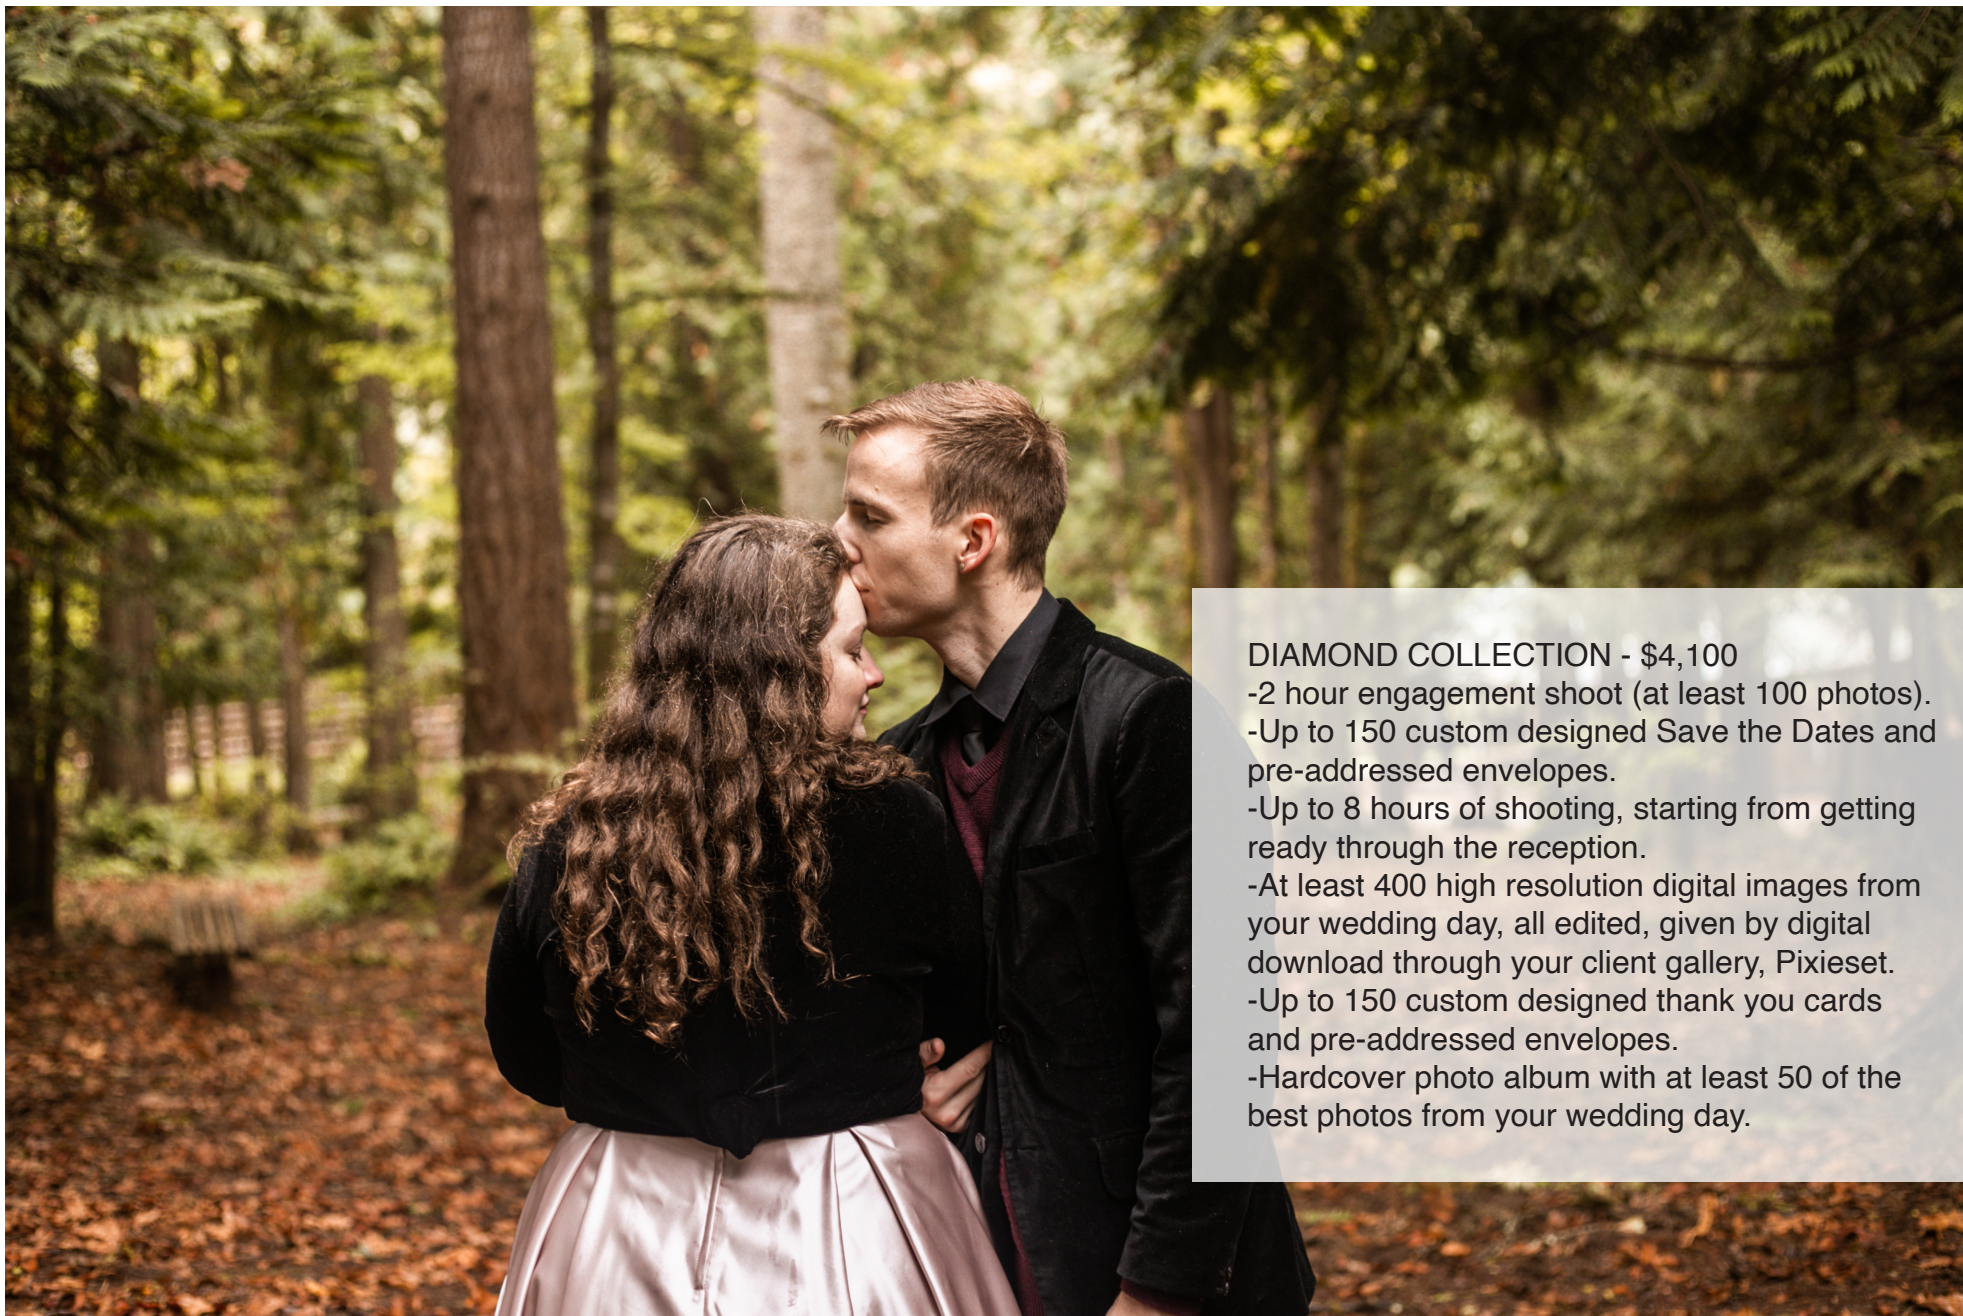

Lia guarantees a minimum of 400 high quality edited photos delivered to couples 5-6 weeks after their wedding via a digital client gallery. Lia wants to help you share the exciting news (you're married!) on social media as soon as possible. So she will send you 4-6 edited images from your special day the day after your wedding. As a keepsake, a photo album may be added on for an additional fee. All photo albums contain at least 50 photos and are mailed to you 8-10 weeks after your wedding.

With a background in graphic design, Lia can also create custom graphics like wedding logos and thank you cards. Lia prides herself in working closely with clients to make sure all elements of a design are perfect. When your photographer is also making your thank you cards you'll have a quicker turnaround and a seamless experience.

From your engagement photos to your thank you cards, Lia Mahoney Photography can be there for you every step of the way. Get in touch to book your wedding photography and more!
